AKG IMAGES
COLLECTION

Rademaker fecit

Geruwineerde DOMS-KERK tot Utrecht

A unique selection of images

AKG images has been collecting photography of art and culture, history and politics, science and media from around the world for more than 70 years.

An eclectic mix of subjects that is truly unique and that spans from historical events to watch collections, art objects as well as historic travel.

For clients searching for something unique and, in some cases extremely niche, the AKG collection might just contain that special image.
