

A close-up photograph of a cheetah's face in the foreground, looking slightly to the left. In the background, another cheetah is standing on a dry, open savanna landscape under a clear blue sky. The lighting is warm, suggesting late afternoon or early morning.

Introducing

THE CONTENT COMPANY

 **fast media**

A boutique photography agency that powers the messages of our clients

‘A picture is worth a thousands words’ And at www.fastmedia.design we have thousands of news, sports, entertainment and specialist pictures to do just that. (over 30 million in fact). The collection helps to strenghten the messages of our clients and is ready to license

On top of that we have over 200 million creative images as well as AI image generation at www.123rf.com

Supported by an experienced team and affordable to use, we make it easy for companies to license quality content fast.

Worldwide Collections, fast and easy licensing

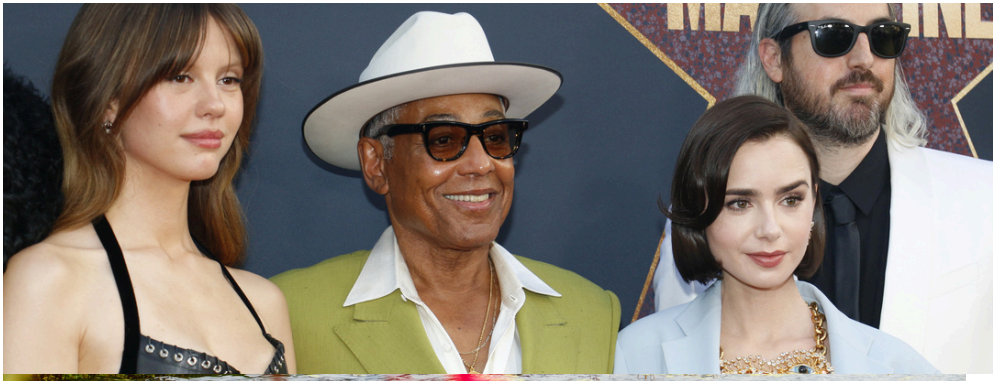

We partner with Global collections on the following photography subjects

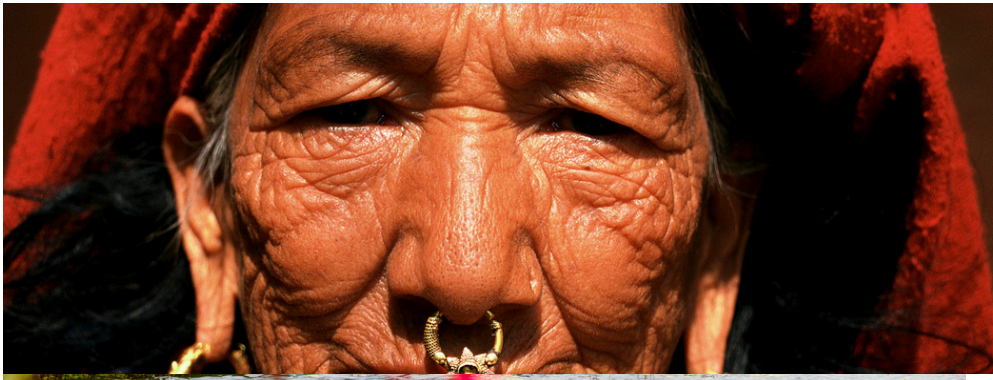

NEWS - SPORTS - ENTERTAINMENT - SPECIALIST - CREATIVE

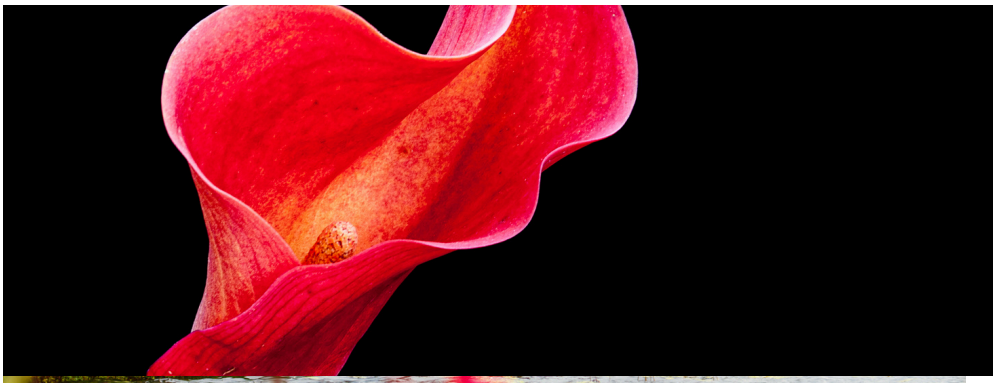

And here are some of the partners we represent

123RF | Reuters | Heritage Images | Avalon | Flowerphotos |
India Pictures | AKG Images | Mondadori | Imago | Belga |
United Archives | Sipa Press | Imagebroker | Eyepix

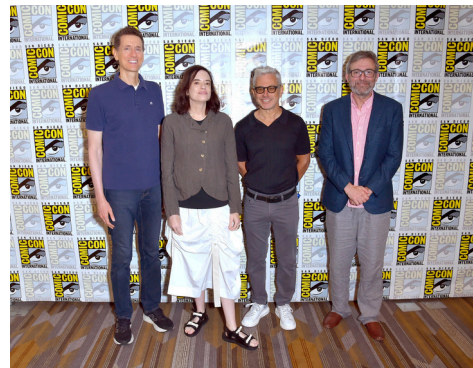

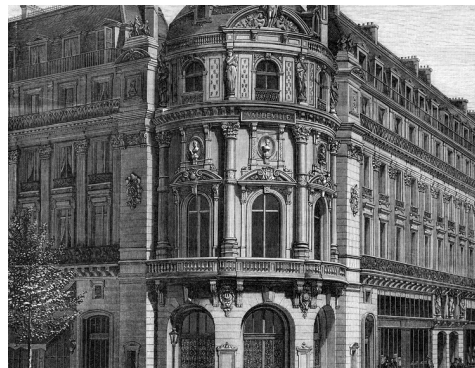

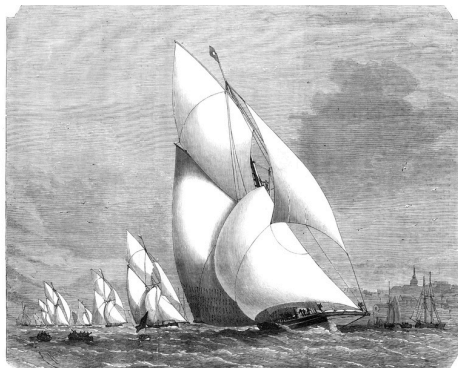

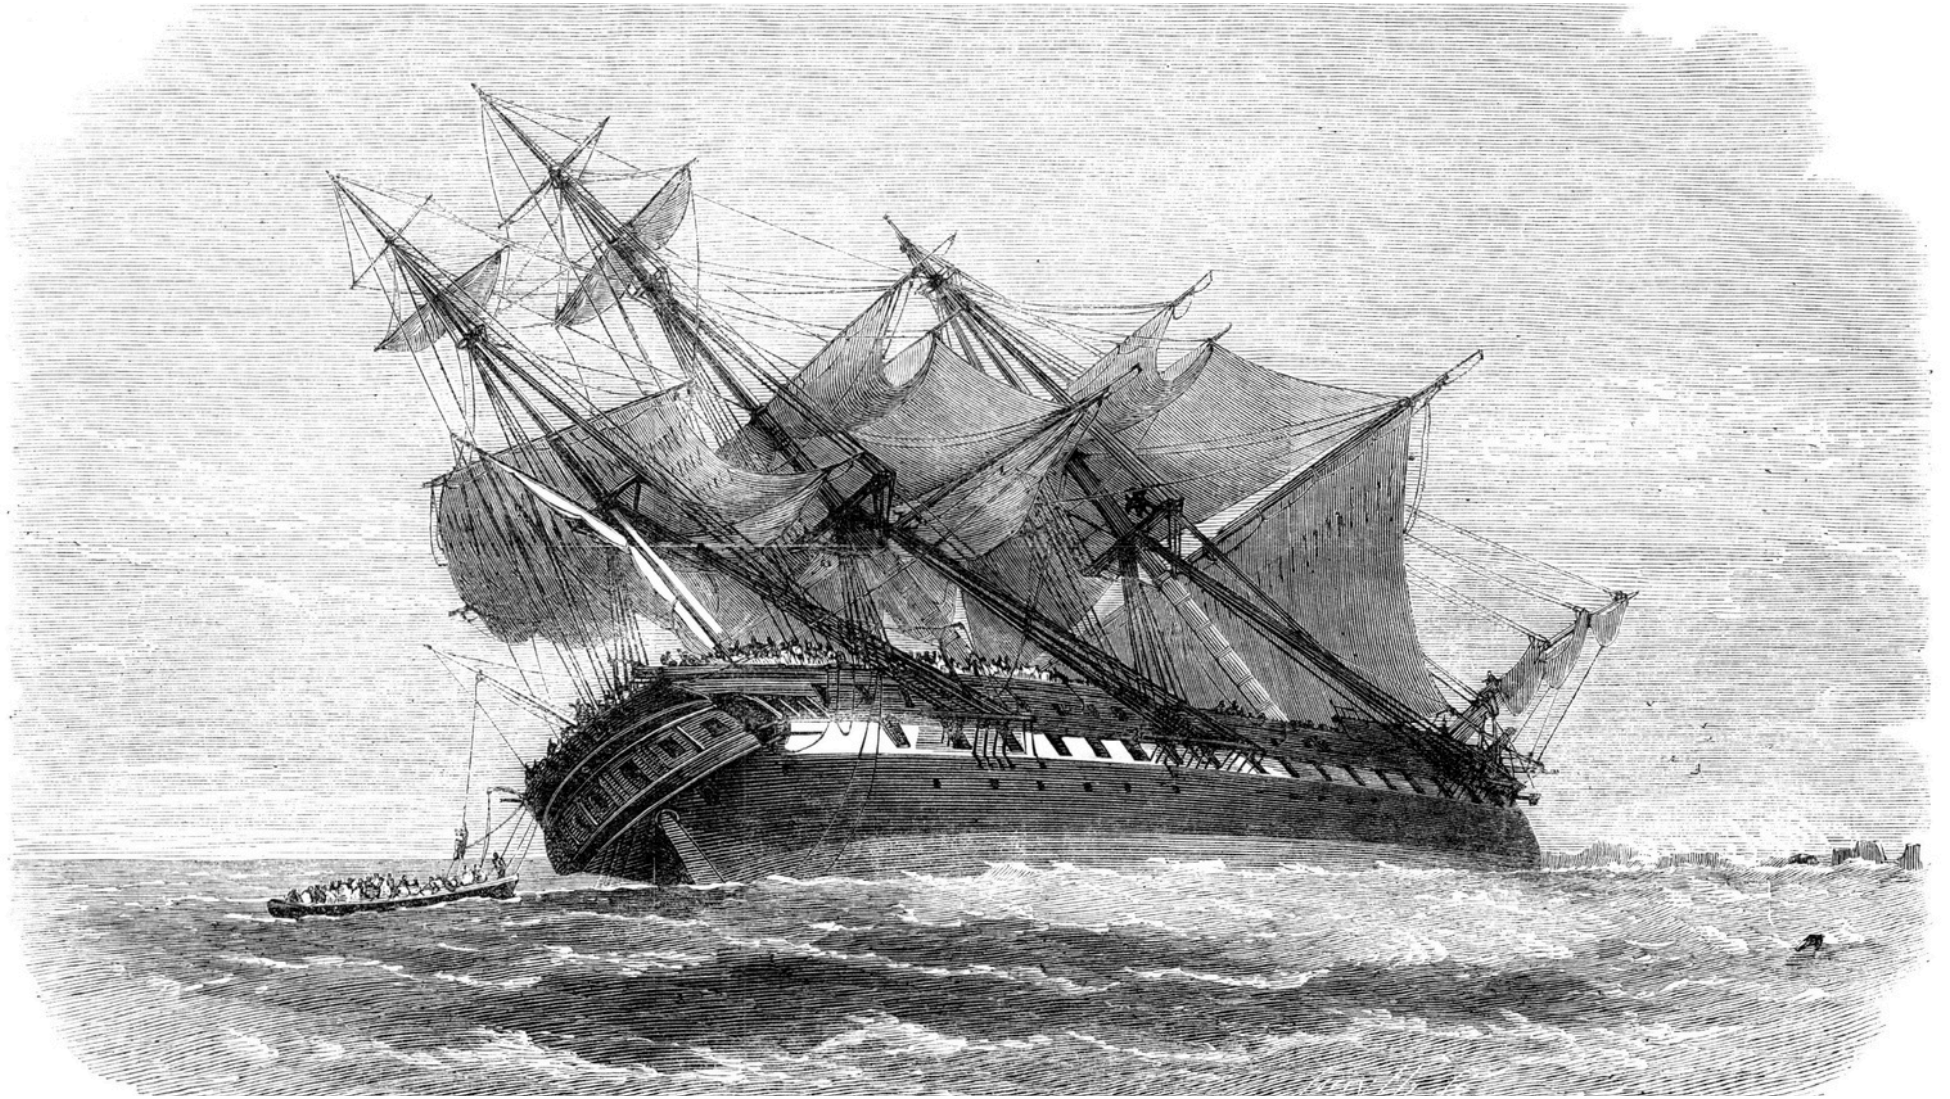

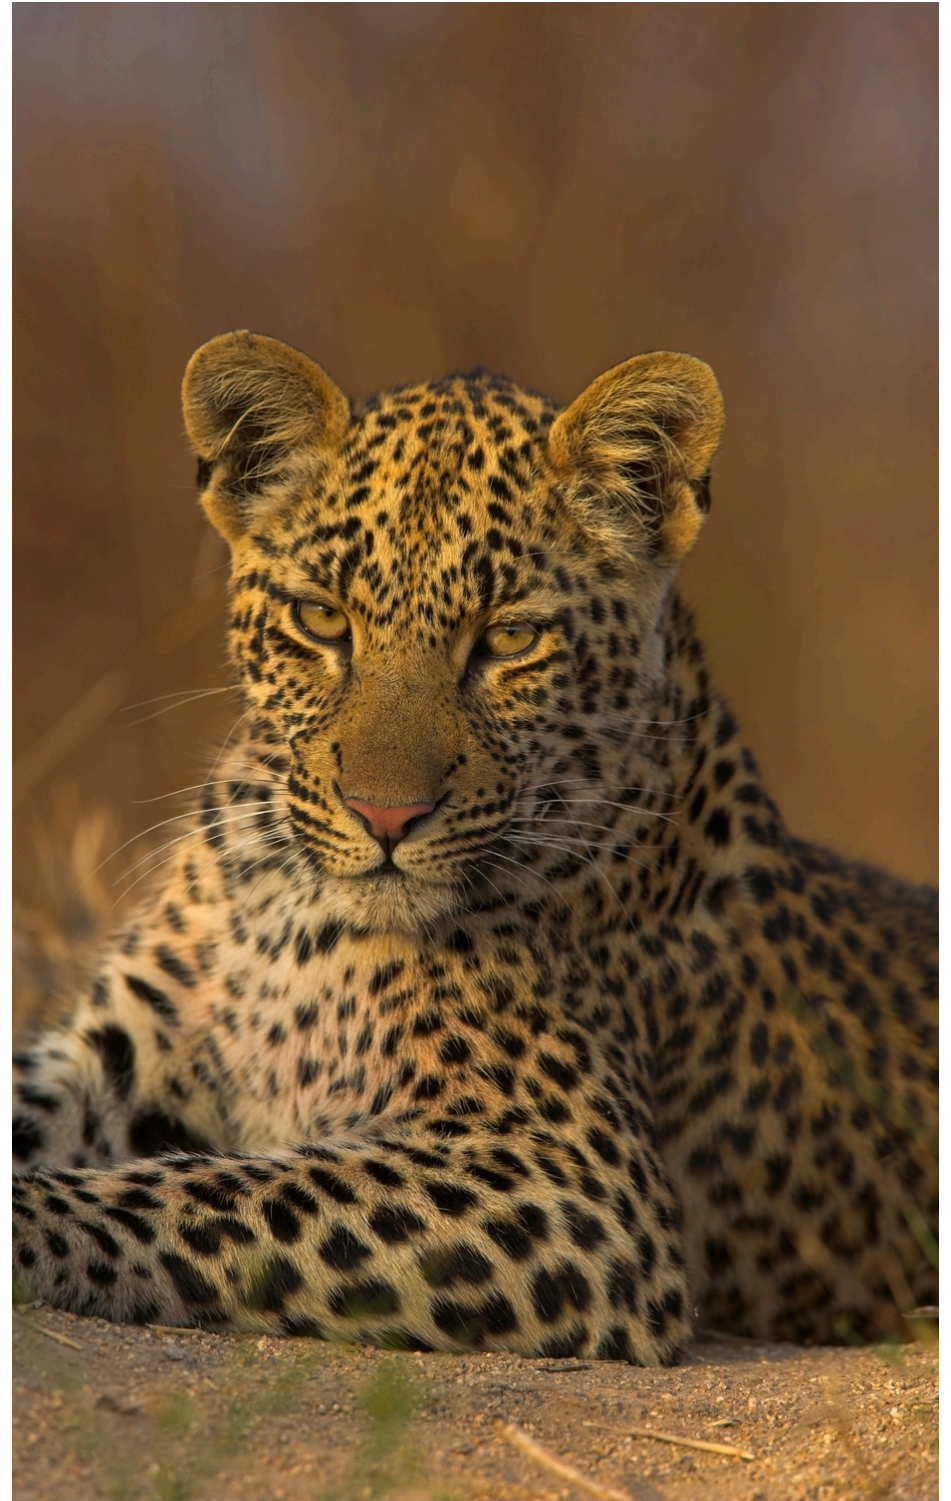

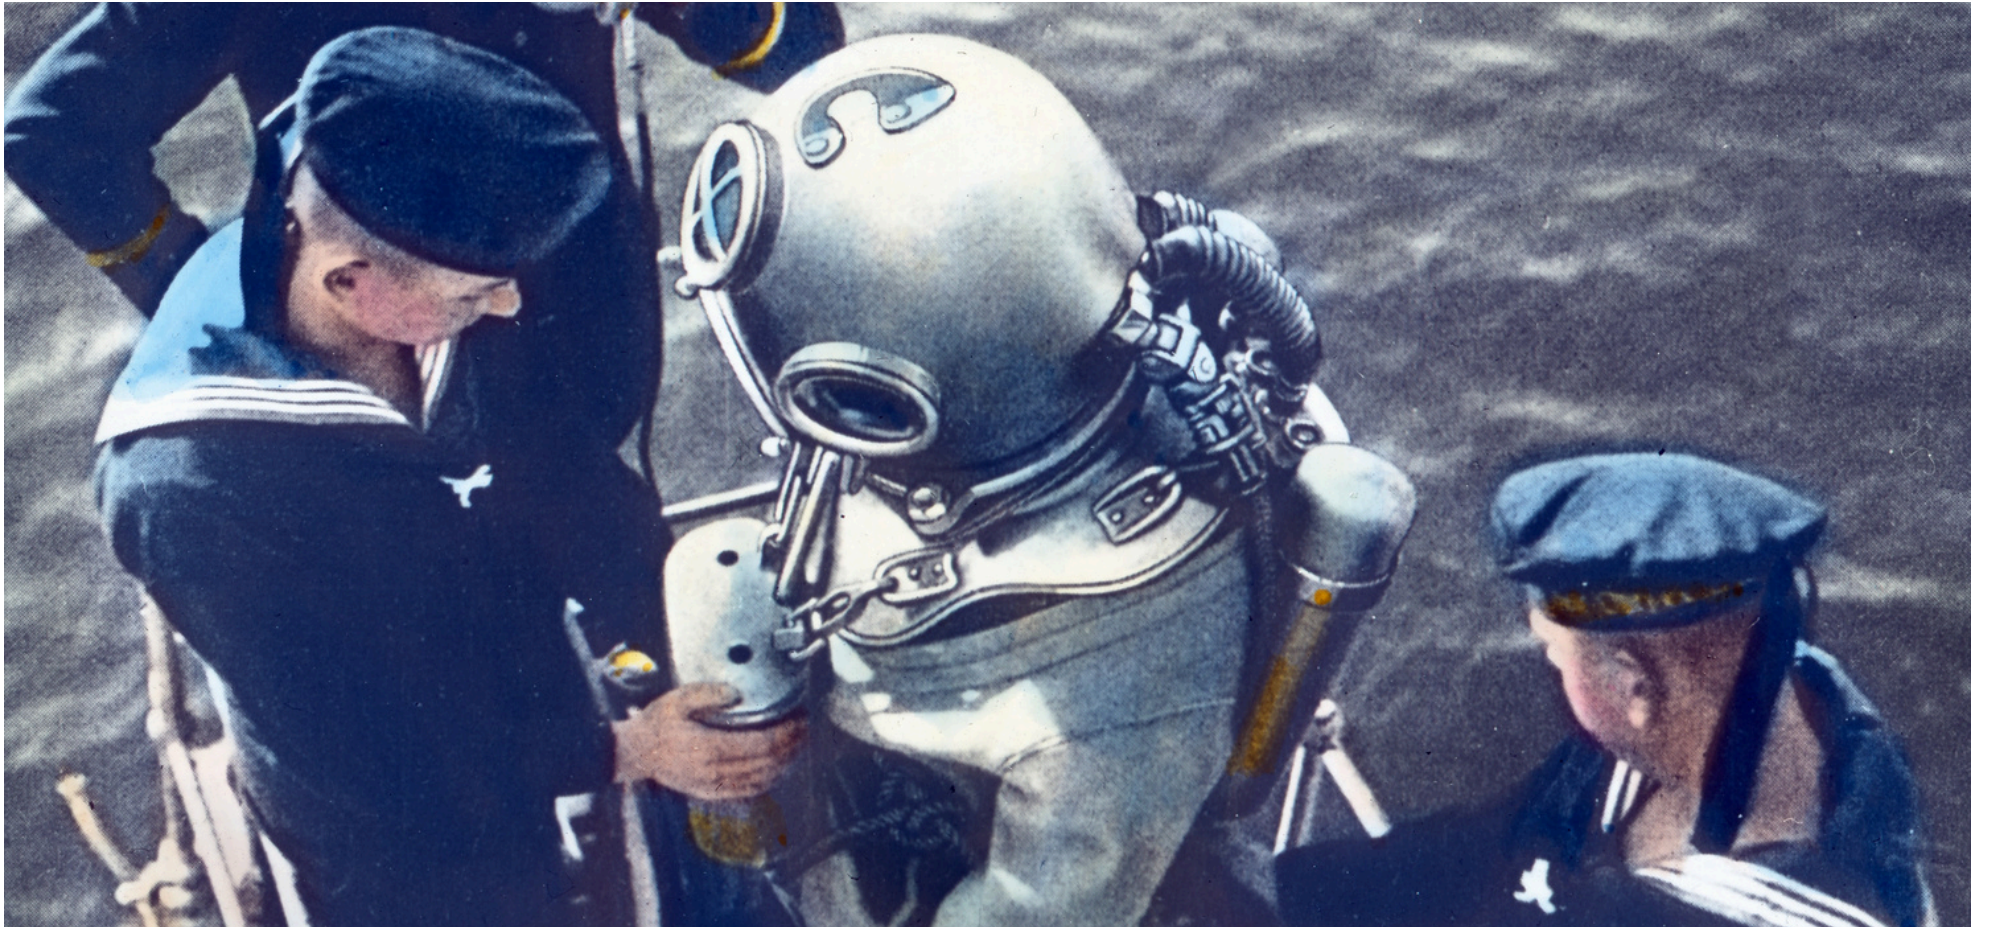

Work with our team for the best solutions

We realise there is a lot of choice for photography. We believe that, as a boutique agency, we offer a unique mix of collections that is fast and easy to license for an affordable price and an approachable team.
